

“It’ll Slow Down in Six Months”

This has been the mantra I have been telling my staff for, what now seems like, the longest time. Much longer than six months!

The Housing Authority is just such a busy place. It seems to continually get busier and busier.

We have had software conversions, new programs (VASH Vouchers) and properties (Reflections 5) added to our portfolio, Pocatello Night Out events, and reading initiatives all added to already busy days.

With the extra work and busier days comes a renewed enthusiasm for what we do. We are always looking for new and creative ways we can serve our community.

I want to publicly acknowledge the staff at HACP. I am proud of them! With each new thing they step up and say “we can do this!” They work hard each day and challenge themselves to do more on a regular basis. Vision is nothing if no one supports it. Thank you, HACP staff, for supporting a vision that is greater than all of us!

Spring Cleaning

Now that it's spring, we remind all residents to be mindful of the yards and community spaces at each of the complexes. Please help keep our communities clean by not littering. In fact, it's such a nice gesture to even pick trash up when you see it. It helps keep things beautiful for all of us! Thank you!!

****Good News****
