

Despite the delay, summer has certainly arrived. And along with it has come an assortment of projects at the various building of the Housing Authority. I want to thank each of you for your patience whether it has been through parking lots being resealed, ceilings be replaced, renovations completed, or the endless painting! Without the patience of our tenants, we would not be able to complete these property improvements so thank you!

“WHAT HOME MEANS TO ME”

The annual NAHRO poster contest is in full swing! If you have a school age child (K-12) contact us and we can help get an entry submitted! How fun would it be for your child’s art to be featured on a national calendar???

WAYS TO KEEP COOL IN THE SUMMER

1. **Open your windows during the night.**
2. **Keep lotions in the fridge for overtired feet.**
3. **Stay hydrated by drinking plenty of water.**
4. **Wear loose fitting clothing.**
